Aged Minister Buried At Neinda Monday

The Rev. J. P. Westmoreland, who was 90 years old Friday, July 27, died Sunday at the home of his daughter, Mrs. D. F. Andrus, Anderson Chapel. Funeral was held Monday from the Neinda Methodist Church with the Rev. O. A. McBrayer, pastor of Anderson Chapel circuit, conducting services. Interment was in Neinda Cemetery under the direction of the Barrow Company.

Born July 27, 1855, in North Carolina, Mr. Westmoreland moved to Brown County in the early 1890's, and to Eastland County about a year later, where the family has maintained a home since.

Mrs. Westmoreland died several years ago and was buried in the Neinda Cemetery. He is survived by three sons and three daughters: W. P. of Neinda, and J. M. and Wiley of Gorman; and Mrs. Andrus, Mrs. Rosa Clark of California, and Mrs. Ella Gowan of Gorman; and a number of grandchildren and great-grandchildren.

In his younger days, The Rev. Mr. Westmoreland was a Baptist preacher and was a member of the Baptist Church at his passing.

Capt. Maberry Receives Cluster To Bronze Star

With the 76th INFANTRY DIVISION IN GERMANY.—Captain Albert A. Maberry, Hamlin, Texas, has been awarded the Bronze Oak Leaf Cluster to the Bronze Star Medal for heroism in action by Maj. Gen. William R. Schmidt, 76th Division Commander.

On April 10, Captain Maberry led his company in the attack against the town of Schwerstadt, Germany. As they approached the town across an open field, they were forced to seek cover from enemy machine gun and small arms fire directed at them from well concealed positions.

Capt. Maberry advanced 50 yards forward of the lead platoon to direct and maneuver the company against these positions. Under concentrated enemy machine gun and sniper fire, he relayed fire orders to his mortar section and succeeded in maneuvering his company, successfully neutralizing seven enemy machine gun positions supported by enemy snipers and captured 30 prisoners.

The citation accompanying the award read in part: "His conspicuous and aggressive actions reflect the highest credit upon himself and the armed forces of the United States."

Captain Maberry's wife, the former Geneva Jo Maberry, and two children live in Hamlin, Texas.

COUNTY AGENT TO GIVE INSTRUCTION IN MAKING CORDAY PURSES MONDAY

Mrs. Clara B. Long, County Home Demonstration Agent, will be in Hamlin Monday afternoon, Aug. 6, at the High School building to give instruction in the making of corday purses. Mrs. Long requests that you bring hook and thread to practice with. She will have corday thread in several colors. Instruction will also be given on how to line purses.

Those who have pressure cookers to be tested may bring them to the High School building, and some one from the Agent's office will be here to test them.

Hamlin Lions Plan Activities For Future

At a meeting of the Directors of the Hamlin Lions Club on July 24, the following objectives were outlined, and committees were appointed to carry them out:

"Improvement of the Elementary School Grounds," sponsored by the Club.

"Better Lighting For Some of Hamlin's Streets."

"Beautifying of Main Street," in cooperation with the Chamber of Commerce.

"Attention to Blind Corners at the Elementary School." This got prompt attention. Twelve or fifteen Lions went up to the Elementary School Tuesday of this week, and with axes, saws and grub hoes, cleaned away for safer driving.

Other activities will be planned and worked out in the near future.

SON KILLED IN CALIFORNIA

Information came to the H. A. McWright family Saturday night that his son, Carl McWright, a long time member of the Marine Corps, had been killed in a jeep accident some time Saturday. According to information, the body was to arrive in Sweetwater this Thursday morning. However, transportation is difficult and schedules are hard to make. Burial will probably be either Friday or Saturday.

Mrs. Clyde Huff began work with Malouf's Department Store Wednesday, Aug. 1. She had been employed in the clerical department of the Hamlin Hatchery, but prior to that had had much experience in dry goods. She will be bookkeeper and director of the ladies' ready-to-wear department.

New War Ration Book To Appear In December

War Ration Book Five, "smaller than a dollar bill," and containing just half as many stamps as the last book issued, will be distributed through the public schools in December, Chester Bowles, Administrator of OPA announced. At the same time, the new "A" Gasoline Ration Book will be issued.

Distribution will take place at school houses or other public buildings throughout the nation from December 3 through December 15. The OPA district offices will fix the exact time for each local area. The new "A" Gasoline Books will go into use December 22, and War Ration Book Five will be used soon after the first of the year for food rationing and for rationing shoes.

Mr. and Mrs. O. G. Harvey and daughter, Miss Beverly Ann, of Port Barre, La., were in Hamlin a short while Saturday. They formerly lived here and were quite happy to be greeting friends in Hamlin again.

Prof. and Mrs. W. A. Stephenson of Abilene were here Sunday to visit his mother, Mrs. Etta Stephenson. They were accompanied by Mrs. G. C. Glass, also of Abilene.

Foursquare Revival

The Revival Meeting now going on at the Foursquare Gospel Church will close Sunday night. Rev. and Mrs. Claude Updike are the Evangelists. Don't miss a service. Old time gospel preaching.

L. R. Nichols Died At His Home In Plasterco, Sunday

The Plasterco community was greatly shocked about 1:30 P. M., Sunday, July 29, when it was learned that L. R. Nichols had been found dead at his home. The information available concerning this sad affair, is that Mr. Nichols had attempted to get his car started to come to Hamlin to meet his daughter, Miss Frances Nichols, who was coming in from Abilene where she is a student nurse at Hendrick Memorial Hospital. He had been to a neighbor's house, W. A. Brown, to get him to make the trip, and everything seemed regular and natural, according to reports. In about ten or fifteen minutes after his return home, Mrs. Nichols, who was in the front room, heard the sound of a gun in a back room. She rushed in and found her husband lying on the floor, dead with a small rifle bullet in his forehead, and a .22 target on the floor near by.

Justice of the Peace Goforth, of Roby, accompanied by Sheriff Wilson, held an inquest. Up to Wednesday afternoon, no official report had been learned in Hamlin, as to the conclusions.

L. R. Nichols was a fine man and had a nice family. He is survived by his wife and three children, Pfc. Raymond Nichols, some where in England; Miss Frances Nichols, Abilene; and Miss Flora Nichols who lived with her parents. Mr. Nichols had worked for the Plaster Mills many years, and was a man well-liked and carried a congenial expression. However, he had not been in good health for some time.

Mr. Nichols was a member of the Baptist Church and was a veteran of World War I. He was born in Houston, Miss., Nov. 15, 1891, and was 53 years, 8 months and 14 days of age. He is also survived by one brother, C. L. Nichols, of Vardaman, Miss.; a sister, Mrs. Geo. Meier, of Cincinnati, Ohio; and two half-sisters, Mrs. W. C. Riley, Cincinnati, and Mrs. Roger Nation of Deemer, Miss. The latter came for the funeral. Other relatives from a distance who came for the funeral, were Mrs. Lula Scott and son, Herman, of Fort Worth; Mrs. C. C. Rozelle, Wolfe City; Mr. and Mrs. R. F. Jackson, Merkel; Mr. and Mrs. Jack Scott, Mr. and Mrs. K. A. Davis, Mrs. Coleman Shaddix, and Mrs. Arnold Lee, all of Abilene.

Funeral services were held at the Plasterco Church Tuesday afternoon with the Baptist pastor, Rev. C. W. Johnson, in charge. The Barrow Company directed interment in the Hamlin East Cemetery.

Dovie Revival Meeting Concluding Services

The revival services at the Dovie Church will continue until Sunday, Aug. 5. The morning services are now being held at 11:00; evening services begin with prayer groups at 8:45. Singing begins at 9:15. Mrs. Lowe of Hamlin is at the piano, with Mrs. V. R. Bond leading the singing. Special songs are enjoyed each evening. Every one is urged to attend and be blessed by the messages of Rev. C. M. Ryan.

Dinner will be served at the Dovie Church Sunday, Aug. 5. This, followed by an afternoon service, will conclude the Revival.

Every one in the community is urged to come and enjoy the fellowship.

O. A. McBRAYER, Pastor.

Chinese Technicians Study With Santa Fe

CHICAGO.—Nine Chinese technicians in communications who are studying American methods under a lend-lease arrangement, have been assigned to the Santa Fe Railway at Topeka and Argentine for training. These technicians are among 593 young Chinese who are in this country studying our methods of industry and agriculture. They are all college graduates, speak English and have two years training in their particular fields. The nine trainees assigned to the Santa Fe are making a specific study of railway equipment maintenance.

The 30 pieces of silver for which Judas betrayed Christ would amount to \$11.28 in American money.

Pfc. Carl Bailey Back From Fighting in Europe

PFC. CARL BAILEY

A lot of history has been crowded into the life of one Fisher County boy, Pfc. Carl Bailey, in less than twelve months. Exactly 11 months to a day, Carl arrived at his father's home, near McCauley, after a whirlwind experience with the Army in Europe. Mr. and Mrs. Louis Bailey live on a farm and Carl had never been "places" till on August 17, 1944, he enlisted at Roby. From then on, he went far and fast.

He trained in the Infantry at Camp Fannin, near Tyler, and by January 1, he was sailing overseas. Carl got to come home for about six days last Christmas, but along about then things were popping in Europe and more young men like Carl Bailey were needed to push back the Germans. So when Carl started back, it seems his outfit, Co. E, 22nd Infantry, 2nd Battalion, got shipped to the East Coast, and at Dallas buses met the boys and rushed them to the air fields for transport east.

It was Carl's first "high-up" ride, and to sea he went, and hardly before he knew what was happening his big ship landed in Scotland. Trains rushed them to Southampton, England; on ship again, over to Le Havre, France, and then another fast train run across France to Metz. In no time, they were up in Belgium, relieving the fellows who had held the Germans. So Carl Bailey, the young boy, who did not become 20 until March 7, 1945, began to hear big guns on both sides. Within five months from Roby, he was in combat.

Last week, Carl was happy, big and strong, with a million dollar smile. He had seen plenty of Germany and the world; he wears two Battle Stars, a Rifleman's decoration, and other worthy recognitions. He had much experience searching German homes for "anything" they should not have, and Carl says, "The Germans do not need guns any longer," so he gathered up SEVEN beautiful pistols and chucked them into his "duffle bag", and besides pistols, he sent ahead two rifles, a war helmet and a gas mask, and...gosh! a lot of other things. Carl said he visited the home of one Himmler, but the guy was not there. So he just made himself at home, and in his round, he found a pretty little bell, evidently a trinket old Himmler used to call his dumb servants. Carl is just past 20, you know, but he says this little bell will make a good plaything for one of his grandsons, some day.

Carl has accumulated 23 points, but he says that's not enough to count. On August 19, Pfc. Bailey will report to Camp Butler, N. C., where the famous Fourth Division will re-assemble and train to fight in the Pacific, against the buck-toothed Japs. Congratulations, Pfc. Carl Bailey; may Providence guide you and bring you back from the Pacific as safe and sound as from Europe.

Mrs. Bill Preston returned Monday from a two weeks visit with relatives in Fort Worth, Dallas, and Houston, and at College Station with her son, Thedford Copeland, who is a student in A & M.

Mr. and Mrs. Carl Lamb of Chillicothe were visiting with relatives and friends in Hamlin last Saturday while on their way to Abilene to visit his father, T. S. Lamb.

New Ex-Soldier Faces At The Post Office

About July 15, ex-Marine Delbert Kite relinquished his job at the Post Office, and his place was taken by another ex-Marine, Ben Townley, a son of Mr. and Mrs. Everett Townley. Ben served many months with the Marines in the Pacific war zones and a few weeks ago received his discharge from the service.

Last Sunday, an ex-Soldier, a late member of the Army Air Forces, Leon Thurman, began work at the most popular office in Hamlin. Only last week Leon received his final discharge on points gained in the African and Italian campaigns. Leon is a former Anson boy, who married a Hamlin girl, the former Geneva Albritton, so he and his wife are "back home."

All this week these two young fellows have been getting their heads together, learning the mysteries of how Uncle Sam wants his postal business carried on.

Cemetery Association To Meet Sunday, Aug. 5

The Hamlin Cemetery Association will meet in the Offices of the F. & M. National Bank, Hamlin, Sunday, August 5, at 3:00 P. M. Every one is urged to attend.

Captain Frank Hillier Back From Germany

Captain Frank O. Hillier, who had been operating with the 391st Bomb Group, 574 Bomb Squadron, in England and all over France and Germany, is back in the States and was in Hamlin with his wife and little son, the past week. They are making their home in California and were here for a short visit.

Captain Hillier is the son of Mr. and Mrs. F. L. Hillier of Hamlin, a boy born in Hamlin May 17, 1921. Now he is quite a man, with half of a world of experience, calm and thoughtful, an unusual thinker, taking life as it really confronts humanity as the years roll along. Captain Hillier scoffs at the idea that there will not be any more wars. He says, "I expect my boy to have to fight, either willingly or unwillingly, in about 25 years." In Hamlin, we just say "Frank," so we hope Frank will live long enough to realize that the United Nations Charter will mean something better than war.

But let's go back and tell you something of Captain Hillier's flying and fighting in Europe. He entered the Air Forces, Oct. 8, 1941, and trained at Kelly Field and Randolph Field, Texas; Chickasha, Okla.; Goodfellow Field, Mission, and Houston, Texas; Dodge City, Kansas; Shreveport, La.; and Atlanta, Ga. He was commissioned a Second Lieutenant at Mission, Texas, Dec. 13, 1942, became First Lieutenant, Sept. 1, 1944, in England, having sailed for that place in June of 1944. After going on many missions over Germany, he was promoted to Captain Feb. 15, 1945, in France. He was pilot of a B-26 and later an A-26. Captain Hillier arrived in the States June 22, 1945. He wears the Air Medal with six Oak Leaf Clusters, ETO Ribbon and five battle stars, American Defense Ribbon, American Theater and Good Conduct Ribbons.

Captain Hillier was married to Miss Patricia Gaultney at Uvalde, Texas, March 9, 1943. They have one son, Thomas Frank, age eleven months. Frank completed his high school education in Hamlin in 1940 and attended Texas Tech for a while. Just before going into service, he was employed by a drug company in Los Angeles.

He and his wife and baby left Tuesday for California, where they plan to make their home following the end of the Jap War.

The many friends of W. A. Albritton are glad to see him back in Hamlin after several weeks at Marlin, Texas, where he had been for his health. Mr. Albritton has been suffering from some form of rheumatism in the lower part of his legs. He is not well, yet, but is much improved.

Mrs. M. Y. Wilson, Jr., and little daughter, Patty Louise, returned to their home in Chickasaw, Ala., this week, after a month's visit with Mrs. M. Y. Wilson.

THIS WEEK

A LITTLE BIT ABOUT

This

AND A LITTLE BIT OF

That

THE RUMORS GROW STRONGER:

This week the Herald received an unsigned letter concerning a much talked of subject, and a subject that will likely cause stronger and stronger "rumors." We do not publish unsigned letters on any subject, but sometimes such letters have merit. The one we refer to will be shown to the members of the City Council, because they are the ones "he" or "she" mentions most pointedly. It is fair to mention the "subject" and it all may be rumors for the same thing has been talked in all circles on Hamlin's streets. It is about somebody fencing many unoccupied acres of City Blocks in North Hamlin, including public streets and alleys. Yes, it may be "rumors," for many Hamlin people do not travel around much and perhaps would not think a land grab has taken place... so we will drop this subject here to listen to more and more rumors... however, Bud or Jack or Bill, don't ask Ye Editor to stick his neck out. Sign your name and ask for free publication and we can "absolve" our responsibility for what YOU say. It would seem that somebody has taken some of the lands laid out and sold for residential use, streets and all, and the person writing the letter to the Herald blames the City Council for not recovering same. Maybe the letter writer would like to have a grand "Oklahoma Land Rush," and let everybody have a chance...so, so-o-o much for that.

NOW ABOUT THE JAPS: So many have asked us to give our idea as to when the Japs will quit. Brother, we do NOT know. But honestly, we believe as long as the Mikado (Hirohito) or any of his kin live the Japs will fight. Which means that the big objective to peace is to tell the old "god-snake-demon," we are coming after YOU and we will not stop till your "divine (?) " ideas are all burned to ashes. The Jap war might continue into 1946... when it stops, they will have no Navy, no planes, no arms factories, a few starving soldiers, and millions of starved civilians...all because of the "divine emperor."

FRANK PEACHES FOR SALE

at Boyd Chapel, 12 miles south of Hamlin. (p)

Our esteemed friends, Mr. and Mrs. Tex Moore, send us a card from San Isabel Lodge, Rye, Colo., saying that they are spending two months up in the cool. The Herald will go up to keep them thinking of Hamlin friends.

SOME NICE PEACHES

The past week the Herald has had samples of some mighty fine peaches brought into the office. We acknowledge this to say once again that more people could raise peaches in this country than has ever been done. There is C. A. Carter who lives just over in Stonewall County in the Flat Top community. His "samples" were as good as one could wish...And as you go to Stamford, on this side of Tuxedo, you see a nice drive way bordered by peach trees, to the right leading up to the home of Mr. and Mrs. J. H. Rivers. They have 25 Mamie Ross trees from which they have gathered some of the finest peaches and distributed them to neighbors (free), so that's the kind of neighbors to have. Also they have 15 fine Elberta trees that will ripen this week. What a few have done, many others ought to do. Thank you, friends.

ERROR IN HERALD

Last week Ye Editor set some local news items, and in trying to "elaborate" to make one item read "fuller," we failed to give one man, Mr. J. O. Lewis, the proper "title." We had him as Supt. of the Celotex Mills, whereas we should have said Assistant Supt. Mr. Orville C. Gilbert is the Superintendent of the Mills. Hope both of these big-hearted fellows will forgive the Old Linotypist, who had not set a line before, in over 12 months.

Increase In Thefts Of Gas Ration Coupons

Thefts of gasoline ration coupons from service stations have increased at such an extent recently that every station operator should adopt all possible safeguards immediately, OPA says.

Apparently organized gangs of racketeers, who formerly made and distributed counterfeit gasoline ration coupons, have found that their former racket is no longer safe nor profitable and that the markets for their invalid ration coupons have disappeared, OPA adds. As a result, the racketeers have turned to the theft of valid currency from service stations and have been selling coupons at various prices to black market operators.

About Soldiers--Sailors

The Herald is always disappointed when we fail to get enough military information about a Hamlin boy who has come home from the battle fronts, on furlough or for keeps. So many are doing this these days till it is hard to keep up with them.

For example, there is Cecil Terrell who was discharged on high points July 21. Cecil spent many months in Africa and Italy... And there is Jack Holt—only got a mere glimpse of him. He has been in Europe a long time and has won a place in the heart's of his countrymen. Jack has received a discharge on points, too. A picture of fellows like this in their military uniform would look good in their old home town newspaper.

ABOARD THE USS WITTER IN THE PACIFIC—James Othell Murphree, 20, radarman, third class, U.S.N.R., of Route 1, Hamlin, Texas, recently completed 15 months of duty in the Pacific while serving aboard this destroyer escort. Murphree entered the Navy in August, 1943, and received boot training at the San Diego Naval Training Station. He had additional training at the radar operator's school at Point Loma, in San Diego, and was then transferred to the WITTER. He has been aboard since her commissioning. He is the son of Mr. and Mrs. W. H. Murphree.

Tuesday Tech Sgt. Ivy Dean and his wife came up from San Angelo to visit his sister, Mrs. I. R. Witt and husband. Sgt. Dean is an Anson man, but he has visited his sister in Hamlin so many times till he is like a "Hamlinite." He landed in Florida, July 6, direct from the India-Burma war area where he had served seven months as a Flight Engineer on a Combat Cargo plane. He was badly wounded last April 17, when the door brace of his plane was knocked loose, perhaps by a Jap shot, and the door caught his face on the right side and burst the ball of his right eye, fracturing the cheek bone. He was carried to a hospital in Calcutta and kept three months. He has 90 days sick leave and is looking better than would be expected after his experience.

Pfc. Billy Bowman, son of Mr. and Mrs. Gilbert Bowman, is another Hamlin boy just returned from Europe. He arrived last week. Billy, only 19, entered the Army June 12, 1944, and went overseas in late January of 1945. He was an infantryman and a "sharp-shooter." He wears two Battle Stars and the Combat Infantryman's Badge. This fellow got his share of German war goods, including three pistols, a bayonet, a sword, a Swastika emblem, some Dutch wooden shoes, and many smaller items. Also he gathered some German words, but does not want to go back to learn more. He will report to Camp Campbell, Ky., on August 27.

Katy Reduces Mortgage Debt

For railroads as well as for individuals, today is the right and patriotic time to save... to reduce mortgage debts... to protect against the future. It is just as sound and satisfying to the owners of a railroad as it is to a home owner to free himself of burdensome mortgage debt.

The Katy has backed this firm conviction with approximately \$40,000,000 of its mortgage bonds purchased, retired and cremated since December 31, 1941—a 43% reduction in mortgage debt within four short years!

Reduction of mortgage debt is interest saved. With the retirement and cancellation of

\$40,000,000 of bonds the Katy has reduced its mortgage interest charges approximately \$1,900,000 annually—the equivalent of lower operating costs.

To effect such savings is to run a railroad more economically and efficiently. Any thrifty property owner who has watched his mortgage diminish will readily understand that *sound financing* goes hand in hand with *sound management*.

With its financial house in order, the Katy faces the future with strength and confidence—better able to build for and serve the greater needs of the growing Southwest—and better able to protect the interests of its owners, the stockholders.

'Think on these things'

What It Means To Preach Christ

From the article last week, we see that all preparation had been made, Christ had died and had been raised from the dead; his chosen ambassadors had been instructed to wait in the city of Jerusalem and when they received the Holy Spirit, as Christ had promised they would (John 14:16-26; John 16:7-14), they were, by the power thus imparted, to begin to preach Christ.

When Jesus ascended into heaven, they retraced their steps into Jerusalem and waited the coming Spirit from heaven. On the day of Pentecost, according to the record in Acts 2, the Holy Spirit came and these chosen ambassadors of Christ began, under divine direction, to preach repentance and the remission of sins in the name of Christ (Luke 24:47). This preaching was to begin in Jerusalem and be extended unto all the nations of the world. This is the beginning of gospel preaching in its fulness. Heretofore, He had been preached in promise, in prophecy and in preparation. Here Christ was preached as God had intended from the foundation of the world that he should be. He was declared to be both Lord and Christ (Acts 2:37). Years afterward Peter looked back upon this experience in the city of Jerusalem and said it was "the beginning." (Acts 11:15)

Christ had died and his will had become effective (Heb. 9:15-17). Upon men now were bound the terms and conditions of that will. Prior to his death these terms and conditions were not in effect for the will of Christ was not in force. This explains why men cannot be saved like men were saved before the cross of Christ and the preaching of the Gospel in its fulness began. If the Bible is preached, force and effect must be given to the New Will and Testament established by the death of Christ.

From Pentecost on, Christ was the great subject of Christian preaching. The record of Acts tells us over and over again of Christ being preached. Peter preached Christ on Pentecost, and according to Acts 3 upon a later occasion in Jerusalem. In Acts 8, we read of the work of Philip, the evangelist. Verse 5 says, "Philip went down to the city of Samaria, and proclaimed unto them Christ." Again in verse 35, we read, "And Philip opened his mouth, and beginning from the scripture, preached unto him Jesus." Acts 9:20 records for us the first sermon of the converted infidel by the name of Saul, "And straightway in the synagogues he proclaimed Jesus, that he is the Son of God." And thus the record tells us the story of Bible preaching done in the New Testament age. We can find no better pattern for preaching today.

WHAT IT MEANS TO PREACH CHRIST

When the New Testament records the story of gospel preaching by telling us that they preached "Christ," what does such a record include? What did they preach when they preached Christ?

We look for the answer to this inquiry, first of all, to the first gospel sermon ever preached. On the day of Pentecost, Peter preached the great facts concerning Christ: (1) His approved life (Acts 2:22); (2) His sacrificial death (Acts 2:23); (3) His burial (Acts 2:27); (4) His glorious resurrection (Acts 2:32); (5) His triumphant ascension (Acts 2:33). When these facts had been declared, Peter preached the commandments of Christ. (1) Know assuredly, or believe beyond a doubt that Jesus is both—Lord and Christ (John 8:24; Acts 2:36); (2) Repent (Lk. 13:3; Acts 17:30; II Pet. 3:9; Acts 2:36); (3) Be Baptized (Mk. 16:15-16; Acts 2:38). Furthermore, in preaching Christ, Peter preached his promises. They were: (1) Remission of sins, and (2) the gift of the Holy Spirit. Here we have the divine pattern for preaching Christ. Too often it is marred by unfaithful preachers who either leave part of it out, or pervert and change it until its truth and power is lost.

In order to see further what it means to preach Christ, we look at the preaching of Philip in Chapter 8 of Acts. He preached Christ to the samaritans (8:15), but he preached the "things concerning the kingdom of God and the name of Jesus Christ." (8:12) Therefore, when the things concerning the kingdom of God are preached, then Christ is preached, and when Christ is preached the name of Christ is preached.

How women and girls may get wanted relief from functional periodic pain

Cardul is a liquid medicine which many women say has brought relief from the cramp-like agony and nervous strain of functional periodic distress. Here's how it may help:

- 1 Taken like a tonic, it should stimulate appetite, aid digestion,* thus help build resistance for the "time" to come.
- 2 Started 3 days before "your time", it should help relieve pain due to purely functional periodic causes.

Try Cardul. If it helps, you'll be glad you did.

Miss Elaine Jones Bride Of Mr. Delbert Kite

Miss Elaine Jones, niece of Mr. and Mrs. L. B. Baker, and Mr. Delbert L. Kite, son of Mr. and Mrs. R. L. Kite, were married Wednesday morning, August 1, at 10:00 o'clock, at the home of the Rev. E. L. Yeats, pastor of the First Methodist Church. The single ring ceremony was read by Rev. Yeats.

The bride wore a Navy blue crepe frock with white accessories. Her corsage was fashioned of white gladioluses. She carried a white Bible belonging to her sister.

Mrs. Kite is a senior student in Hamlin High School. She is talented in music and has appeared on piano and voice programs.

Mr. Kite served in the Marines from February 1942 until April 1944. He spent 18 months in the Pacific war theater and has three battle stars. At present, he is engaged in farming.

Only members of the families were present for the wedding. Out-of-town guests included Miss Wanda Jones of Sweetwater and Miss La Rue Kite of Midland.

Following the ceremony, Mr. and Mrs. Baker were hosts at a luncheon at their farm home northeast of Hamlin, honoring the bridal couple. The table was centered with an attractive arrangement of roses.

Mr. and Mrs. Kite are spending their honeymoon at the Baker home while Mr. and Mrs. Baker are visiting relatives in Kaufman County.

Married In Sweetwater

Miss Elouise Burgess, who has been in Hamlin working with her brother, Walter Burgess in the Eddie Jay Bakery since last May, was united in marriage to Mr. William A. Tucker, Chief Petty Officer of the U. S. Navy, in Sweetwater, Sunday, July 22. The ceremony was in the Lutheran Church.

Mrs. Tucker is a recent member of the WAC, holding the rank of Captain at the time of her discharge. She was in the service three years.

Mr. Tucker has been in the Navy four years, spending most of that time in the Pacific. His wife will continue to make her home in Hamlin till he is released from service.

WPB and OPA announced. A production rise of civilian shoes containing leather in the uppers or soles to approximately 26,000,000 pairs per month during the fourth quarter of 1945 is expected.

Prohibition of the use of the leather soles in production of footwear with moccasin-type or mudguard vamps, saddle-type footwear, and certain other types of shoe was removed by WPB.

Fifteen million yards of staple cotton fabrics, commonly used for home sewing, have been made available for distribution to civilians in stores serving small town and rural areas, WPB announced. These fabrics include gingham, seersucker, lawn, bleached and/or unbleached class "C" sheeting, print cloths (perlale), plisse (crinkled crepe), and outing flannel.

POT-SHOTS FROM McCAULLEY

BY GEO DARDEN

Our next door neighbor, Walter Forbes, left last Sunday for the Army. It is a shade "rough" for a man with a wife and four children to have to take off. Such is war.

Mrs. Charley Eivens and daughters, Barbara Lou and Nancy Sue, left last week for Fort Worth for a visit with Mr. and Mrs. Granville Dean.

Misses Floy and Molene Parker of Los Angeles are visiting in the home of Mr. and Mrs. J. W. Maberry.

Sgt. and Mrs. Stanley Jackson are visiting his parents, Mr. and Mrs. W. C. Jackson. Sgt. Jackson has re-

cently returned from the Bermuda Islands, where he has been stationed for the past several months. His wife is living at Dumas, Texas, where she is educational director of the Dumas Baptist Church.

Mr. and Mrs. Turner Houghton, from near Roby, visited his parents, Mr. and Mrs. Sharman Houghton, last Sunday.

Pete Perryman, of the U. S. Navy, is home on leave with his parents, Mr. and Mrs. W. R. Perryman. He has been in the Pacific war zones for many months and has seen much action.

Let ye forget—the Baptist meeting begins Sunday, Aug. 5. Rev. Johnny Cohen is the visiting preacher, who will also direct the singing. Bro. C. E. Dick has this to say about Johnny: "He is one of the best soloists in the South and a choir director that 'won't quit.'" Come out and be your own judge, folks. A ten day revival won't hurt you, and it may do you a lot of good. (We are under the impression that there will be no "boll weevils in heaven"—so stop killing 'em long enough to try to get there.)

Thanks to Mrs. U. W. Walker of Rt. A, Sylvester, for a year's subscription to the Herald.

Mr. and Mrs. Wayne Webb and sons spent Sunday afternoon in the home of Mr. and Mrs. Albert George, north of town.

All the folks in nine counties must have turned out to see "Thirty Seconds Over Tokyo" at the Hamlin theatre the other night. We were "packed like sardines," but it was a good show.

Visiting in Abilene over the week end were Mrs. Paul Benning, Miss Adell Dixon, and Mrs. W. H. Pickren, Jr.

We climbed out on the roof and have painted the gin smoke stack as far as we could reach. (Darn sho' not going to the top.) Still want a "stack" painter.

Darden Dashes—

We natives of this community, like all Americans, regret the bad news last Saturday when a B-25 Bomber crashed into the 78th floor of the Empire State Building in New York. If the bomber had been an enemy plane, it would have been even worse. McCaulley doesn't have

many one hundred story buildings, but just the same, we don't want ours torn up by "goggle-eyed Japs." Driving down a Hamlin street about sundown last Friday, we met that fellow Martin, pastor of the Hamlin Baptist Church, on horseback—sitting up straight like a real cow hand, too. If we ever get the "nerve," might challenge him in a matched calf roping contest.

We notice that Gracie Allen and Bob Hope have turned reporters. They, perhaps, get a larger salary than the Pot-Shot scribbler, even tho' we have more experience and have grown hard-hearted.

Comment No. 1—

We notice that Congress is going to take a vacation—and during a war when boys are still dying by the hundreds. When a Trade Union goes out on a strike, you will hear some Representative in Washington "raise old billy," and for the benefit of the voters back home, he will pull his hair and scream about the un-patriotic workers. Yet, the same Congressman will vote to go home and feel around, just to see if he is still sitting pretty with all the folks in his District.

Ceiling Price Set For Farm Slaughter

A ceiling price has been established for the grading of beef, veal, lamb or mutton by commercial freezer or locker plants for farm slaughterers, OPA announced. The ceiling, effective July 30, 1945, is 12½ cents per hundred pounds of meat graded, computed to the next highest multiple of five cents.

For example, a farm slaughterer requests a locker plant to grade a 150 pound cut of meat. The ceiling price for grading this meat would actually figure out at 18½ cents. Adjusted to the next highest five cent multiple, however, the final ceiling price would be 20 cents on this particular operation.

For quick results, try the HERALD Classified Ads.

Our Congressmen get \$10,000 per year and they say they can't live on such a measly salary. Yet, when the time comes for re-election, they get all the hill-billy music available and with their big cars and sound trucks, they sing, swing, moan and groan to be elected. What we can't figure out is:—If the boys can't get by on the salary, what in the world do they want with the job? Fact of the business is, we are in dire need of men who have this nation at heart. If our boys fight for fifty dollars per month, surely there are men qualified to sit in Congress and be satisfied with that \$10,000 per year.

Mr. Average American will agree with us when we say: There should be, by all means, some changes made.

Quotas Of Civilian Tires Set For August

August quotas of 2,500,000 passenger car tires and 386,862 small truck tires for civilian motorists, exactly the same as for July, and a reduced quota of large truck tires were announced by WPB and OPA. The quota of truck tires size 8.25 and larger was cut from 234,308 in July to 200,000 for August.

The total cost of the Louisiana Purchase was \$11,250,000, or about 4c an acre.
